

**THE MOST
COPPER EVER
LOADED INTO A
MULTI-SEASON
DUAL BIOCIDES
ANTIFOULING
IS IN THIS CAN**

**Pettit
Did it!**

Ultima SR60 has more copper than any other ablative antifouling. It is the most powerful, longest lasting multi-season antifouling you can buy. SR60 has 50% more copper than Micron Extra and it cost less. So if you have a nasty fouling and slime problem, get the antifouling with Irgarol, and by far, the most copper. Get Ultima SR60.
