**FOR IMMEDIATE RELEASE:**  
September 29, 2020

## **PETTIT LAUNCHES A NEW LINE OF ADHESIVES AND SEALANTS BUILT FOR THE RIGORS OF THE MARINE INDUSTRY. MEET ANCHORTECH!**

*Marine Paint Company Continues Pioneering Innovative Solutions*

**Rockaway, N.J.** – Pettit is excited to launch three unique simplified solutions for boaters, manufacturers and boatyards. AnchorTech™ sealants and adhesives were developed to make the process of selecting a project-specific product quick and easy and prevent the use of incorrect products. Too many times applicators are misguided by the complex and confusing offerings in the market place and choose the wrong product that doesn't actually suit their needs or are locked into using 30-year old technology that has limitations. AnchorTech™ products are purpose driven, less expensive and offer a vast variety of leading-edge technology.

### **AnchorTech™ Premium Fast Dry Adhesive Sealant**

- Above or below waterline use
- Can be applied underwater
- +/- 25% joint movement
- Maximum adhesion and flexibility
- Superior durability
- Can be applied down to 41°F

### **AnchorTech™ UV Resistant Adhesive Sealant**

- Above waterline use
- All weather & low temperature applicable
- Excellent UV resistance, non-yellowing
- 100% waterproof
- Can be applied down to 20°F
- Mold and mildew resistant

### **AnchorTech™ Advanced Hybrid Sealant**

- Above waterline use
- All weather & low temperature applicable
- Permanently flexible, shrink and crack proof
- 100% waterproof
- Can be applied down to 20°F
- Mold and mildew resistant

“While other companies were shutting down operations due to Covid19, Pettit’s R&D and

# PROTECT YOUR PASSION

Marketing Teams joined forces in thinking outside the paint can and developed complimentary products for a very confusing market. Pettit's new line of AnchorTech™ adhesives and sealants provide superior technology, ease of use and a simplified offering to aid boaters, manufacturers and boatyards make easier and faster decisions when it comes to keeping water out. Small leaks = big problems!", says Tom Maellaro, VP of Marketing for Pettit Paint.
